The Board of Directors of Lopez Holdings Corporation today approved the Corporation's audited financial statements for the calendar year ended December 31, 2021. The audited net income attributable to equity holders of the parent amounted to P1.538 billion as of December 31, 2021. This is 159% higher when compared to the P2.625 billion net loss attributable to equity holders of the parent in 2020. This was mainly due to a recovery in the businesses of units under investee First Philippine Holdings Corporation, coupled with the smaller net loss of investee ABS-CBN Corporation.
